

Instructions to Participants - pick one clip to perform from below:

Squarespace: What if it were possible to capture the precision, passion and beauty that goes into what you do? And be...even better? A better web, starts with your website. Create yours at Squarespace.

Teach.org: Teachers today are finding new ways to instill old lessons. Proving that greatness can be found in every day places, and that you don't need to be famous to be unforgettable. Make more. At teach dot org.

A1 Steak Sauce: This is Charlie. He likes to put A1 on burgers, but not veggie kabobs. He also likes 'that's what she said' jokes. You don't have to like everything Charlie likes - put A1 on whatever you want. A1 Steak Sauce, for almost everything, almost.

General Mills: Did you know that 75% of growing kids don't get the recommended amounts of calcium and vitamin D? The cereals they already love, like Cinnamon Toast Crunch and Cocoa Puffs, have both calcium and vitamin D in every box. General Mills kids' cereals. We gotcha.

Cigna: Your smile is one of a kind. And with thousands of dentists in our network, we can help keep it that way. Let us help you find the Cigna Dental Plan that's right for you.

McDonalds: Enjoy the new sear-sizzled Angus Burger, three delicious ways: Deluxe, Mushroom and Swiss, or Bacon and Cheese. Oh, it's big...on flavor. The new Angus Third Pounders. Bite into full flavor, only at McDonalds. I'm lovin' it.

Cottonelle: At the Cottonelle institute, we're caring for your sensitive skin from top to bottom. With new aloe and vitamin E in soothing, clean, flushable moist wipes. Visit Cottonelle institute dot com to check your own sensitivity profile.

Tyson: Tyson Chicken Nuggets - crispy on the outside, juicy on the inside, and made with 100% all-natural ingredients. Your kids will love 'em. From Tyson. And now, get a mail-in rebate when you buy select Tyson Chicken Nugget flavors.

Gold Peak: There's nothing like Gold Peak's home brewed taste. It starts with mountain grown tea, pure filtered water and just the right balance of sweetness. It's a taste that's perfectly crafted every time. Gold Peak. The taste that brings you home.

Fage (pronounced "FAH-yay"): If you're going to cook with Greek yogurt, stick with the real deal. Fage Total is the number one Greek yogurt in Greece, and while everyone else is hopping on the Greek yogurt bandwagon, Fage has been crafting it since 1926. Fage. It's a difference you can taste.
