**Bacardi:** The fire of 1880 didn't stop them. Nor did prohibition in the 1920's. Nor exile from their home country in the 60's. The Bacardi family didn't just survive, they thrived. Because true passion can't be tamed. Bacardi. Untamable since 1862.

**Garnier:** Take everything you know about cleansing and wash it away. New Garnier Clean + Blackhead Eliminating Scrub. Not just a better clean, better skin. Better because the scrub with charcoal draws out blackheads like a magnet, plus keeps skin clear. New Garnier Clean Plus.

**Grey Goose:** When Francois Thibault said he was going to make vodka in France, with cognac no less, with spring water and the best French wheat, everyone here said no. But little by little, he did indeed create a vodka that tasted like no other. Grey Goose. The world's best tasting vodka.

**Johnsonville:** Today at the wedding, you streamed the game, and you're not necessarily proud of that. But tonight, you have the gang over for juicy Johnsonville Brats. With premium cuts of pork, you're definitely going to be proud of that. Johnsonville. Served with pride since 1945.

**Gatorade:** Gatorade Fierce: a bold, more intense flavor. Gatorade, win from within.

**Orkin:** These few drops of moisture are like an oasis to a colony of termites. To catch a pest, you have to think like a pest. Not just in any home, your home. Orkin. Pest control down to a science.

**Dr. Scholl's:** Dr. Scholl's Active Series insoles reduce shock by 40% and give you immediate pain relief from major sports injuries. Soon, you'll be a believer. Dr. Scholl's Active Series.

**Corona Light:** Maybe you're not there yet. Maybe you are. When you're ready for a light beer you can actually taste, you'll know. Corona Light.

**TGI Fridays:** A toast to a new Fridays menu. Now at Fridays, 10 bucks gets you one of our best entrees and an appetizer in a place that always loves a good drink and a great time. Fridays takes everything up a notch, but it's still just 10 bucks. Cheers to that.

**BMW:** Some have to tell you about how fast they are, about narrow escapes, or who you just won't believe they've ridden with. Others let the bike do all the talking. The new 9T from BMW.
