

Instructions to Participants - pick one clip to perform from below:

GolfTV: Golf doesn't begin on the first tee and it doesn't end on the 18th green. It is a lifelong journey. Catch the Masters with live coverage all week, only on GolfTV.

Barilla: Treat your family to traditional Italian cooking with Barilla. Fresh, delicious, and authentic Italian recipes that help you cover the classics from antipasti to baked ziti. Barilla. Discover how delicious whole grain pasta can be.

Maybelline Pulse Perfection: This is Maybelline's new Pulse Perfection vibrating mascara with our exclusive motor inside. The result? A new level of definition for perfect lashes each and every time. New Pulse Perfection. Only from Maybelline.

Fabreze Luminaries: Fabreze introduces new flameless Luminaries. Just place the shade on the wooden base to turn on the light, and fill your room with a light, fresh scent. Only from Fabreze.

Mercedes Benz: 300 horsepower is fast. 400 will take your breath away. That's why we gave it 451. The C63 AMG. The new Mercedes C-Class, now in its most potent form ever.

Dentyne: People have breath all the time. Casual breath, hot breath, nasty breath, but are they having safe breath? Probably not. The Safe Breath Alliance endorses Dentyne. Get involved at facebook.com/dentyne.

Windex: When you use Windex, the streak free shine lets in more light. Let in the light with Windex. SC Johnson a family company.

Alka-Seltzer Plus: Hey tough guy, that cold needs Alka-Seltzer Plus. It has the cold fighting power of an effervescent, packed in a liquid gel for all over relief. Alka-Seltzer Plus. For all you tough guys.

Best Friends Club: Best Friends Club here, with Addison, Calista, and me, Caitlin. We do everything together. Like laughing, hanging out, and sharing. Outfits, bracelets, and secrets. (tag) Dolls and charm bracelets each sold separately.

Best Buy: A mom came into my Best Buy. Her son's going to college. He needed a computer. It was kinda like a surprise present. She was like, "Can you help me?" So I'm thinking, "The new, cool thing is a tablet PC." I love working here.

Puffs: In her natural habitat, the tissue monster was quite mild. But when she used tissues, she went crazy wild. Tissue after tissue she always took a ton, until Mom explained with Puffs Ultra Soft & Strong you only need one. A nose in need deserves Puffs Ultra Soft & Strong indeed.

Philadelphia: Fresh milk and real cream, that's what makes Philadelphia. And that's what makes the moment we enjoy it a little richer. Philadelphia, peel the moment.
