

Instructions to Participants - pick one clip to perform from below:

Avalon Dental Group

Welcome to Family Dental Notes, a monthly audio newsletter from The Avalon Dental Group. Let Dr. Yu and his associates assure your family's dental health both in our clinic, and with information. (*pause*) Flossing dates back to 1815, and was first suggested by a New Orleans dentist. To this day, flossing remains the easiest and most effective weapon in your fight against tooth decay. Dr. Yu is fond of saying, "If you keep flossing so well, how am I going to make a living?"

ISMIE

Welcome to ISMIE Mutual's On the Record: Strategies for Documenting in the Patient Record and Keeping Written Policies. Like the first ISMIE online "Documentation Workshop," this activity is meant to explore documentation and recordkeeping issues that often create liability risks for physicians. This online course is part of ISMIE's Managing Risk program, and is designed to help physicians implement effective risk management techniques in their daily medical practice.

Doctor's Digest

This is Doctor's Digest, bridging the gap between the business of medicine and the practice of medicine, with single-topic manuals that provide practical solutions from the experts. Support for this program comes from McNeil Pediatrics, division of Ortho-McNeil-Janssen Pharmaceuticals, Inc. (*pause*) Given the alarmingly high number of medication errors, how hard is it to ensure medication safety for your patients?

WHFCU

Are Your Finances Fit or Flabby? (*pause*) This is the White House Federal Credit Union podcast for May 2016. (*pause*) We all know that staying physically active and eating healthfully can do a body good. But have you ever thought about the fitness of your finances? Your approach to money management needs regular checkups, too. You might discover that you need to trim some fat from the budget, bulk up on savings or work with a financial coach to reach your goals.

Cynopsis

Good morning, it's Friday, August 27, and this is Cynopsis Digital. (*pause*) If you think AT&T's 4G/LTE network is overloaded now, wait a couple of weeks. All 75 million subscribers of the video streaming service Netflix will gain instant access to their full catalog of TV shows and movies, via 4G/LTE on their iPhone or iPad.

Ask The Builder

In this edition of Basement Waterproofing Techniques, we look at Linear French Drains - brought to you by AskTheBuilder.com. If you've ever been ankle deep in mud or water on a stormy night in your basement, you surely thought about basement-waterproofing techniques as you lugged water-soaked belongings up your basement steps. Tens of thousands of homeowners like you agonize over lost possessions that in many cases could have been saved from that devastation, with some common sense and preplanning before the heavy rains or snow melt occurs.
