

Instructions to Participants - pick one clip to perform from below:

Black Box Wines

To get the quality of award winning bottled wine for 40% less, lose the bottle. Award winning Black Box Wines. 40 gold medals, 40% less expensive than comparable wines.

A1

This is Martin. He likes to put A1 on burgers, but not on veggie kabobs. He also likes “that's what she said” jokes. You don't have to like everything Martin likes. Put A1 on whatever you want. A1. For almost everything. Almost.

Crispin

In the great orchards of Oregon and Washington, our apples are handpicked, then fresh pressed. And at our Colfax, California cidery, we hand prep those fresh pressed apples into premium hard ciders. That's what makes our ciders Crispin.

Hormel Rev

Hormel Rev Wraps. 15 grams of protein for those who are hungry. Real meat. Real cheese. Real easy. Find Hormel Rev Wraps in your grocer's lunchmeat case.

Skechers

Look at Allison. She's doing pretty well. That is, except for one thing. Did she really forget to wear her Skechers Slip Resistant shoes? Skechers Slip Resistant shoes. Don't get caught slipping.

Silk

Almond: So you won't taste Silk because you don't know what it tastes like, that's insane. It's Silk Vanilla Almond Milk, and it obviously tastes like almonds. With delicious taste that's better than milk, Silk helps you bloom.

Cigna

Your smile is one of a kind. And with thousands of dentists in our network, we can help keep it that way. Let us help you find the Cigna Dental Plan that's right for you. Visit CignaDental.com.

AC Pro

Your AC is so not cool. You can fix it yourself with AC Pro. It only takes 10 minutes and you save a ton of money. Recharge your car's AC with AC Pro. Just unscrew the service cap, connect the easy reach hose and squeeze the trigger. That's it. Everyone's a pro, with AC Pro.

Pepsi

Summer just wouldn't be summer without the refreshing taste of Pepsi. And you're all invited! Choose Pepsi, Diet Pepsi or all-new Pepsi Max!

Gold Peak

There's nothing like Gold Peak's home brewed taste. It starts with mountain-grown tea, pure filtered water and just the right balance of sweetness. It's a taste that's perfectly crafted every time. Gold Peak. The taste that brings you home.

Johnny Appleseed

Introducing new Johnny Appleseed Hard Apple Cider. Refreshingly sweet and intense, and bursting with a crisp apple bite. So try a Johnny Appleseed Hard Apple Cider tonight, and let the stories flow.
