**Orkin**

Just a few drops of moisture are like an oasis to a colony of termites. To catch a pest you have to think like a pest. Not just in any home: your home. Orkin. Pest control, down to a science.

**Dr. Scholl's**

The problem was the pain. Hard to believe but Dr. Scholl's Active Series insoles reduce shock by 40%, and give you immediate pain relief from three sports injuries. Amazing. Now I'm a believer. Dr. Scholl's Active Series.

**Jagermeister**

Jagermeister introduces a new blend with more cinnamon and more vanilla: the new Jagermeister Spice. Jagermeister Spice. The remix of a classic, best enjoyed neat.

**Fridays**

A toast to a new Fridays menu, now with fresh Jack Daniel's sirloin on the grill...our famous sizzling Chicken and Cheese...and a fresh upgrade to our legendary potato skins. Fridays takes everything up a notch. Cheers to that.

**BMW**

Some motorcycle enthusiasts have to tell you about how fast they go, about narrow escapes, or who you just won't believe they've ridden with. Others prefer to let the bike do all the talking. The new 9T from BMW.

**Shock Top**

A life full of flavor deserves a beer full of flavor. Shock Top Belgium style unfiltered wheat. Live life unfiltered with Shock Top Belgium. Drink responsibly.

**Phillips**

Now there's a more enjoyable way to get your fiber. Try Phillips Fiber Good Gummies. They're delicious, and an excellent source of fiber to help support regularity. The tasty side of Fiber. From Phillips.

**John Deere**

The only thing better than the smell of fresh cut grass is the smell of perfectly level fresh cut grass. Nothing runs like a Deere. Visit your John Deere dealer today and see the X304 and other 4 wheel steer Select Series lawn tractors.

**Yokohama**

I am the original safety feature. The fraction of a second between fender and bender. I'm the carpool buddy who never changes the station. The last thing on your mind when you shift into drive, but the first that touches the road. I'm not just any tire, I am a Yokohama.
